

Paul's Song about Love

BASED ON 1 CORINTHIANS 13:1-13

In one of the letters that Paul wrote to the people who lived in Corinth, he wanted to tell them about love. What does it mean when we say that we love someone? Paul wrote a song about love. Here are some of the words for the song.

If I talk like an angel
but I don't have love,
I am nothing.

If I talk like a prophet,
if I give away my money,
but I don't have love,
I am nothing.

Love is good.
Love is kind.
And love will never end.

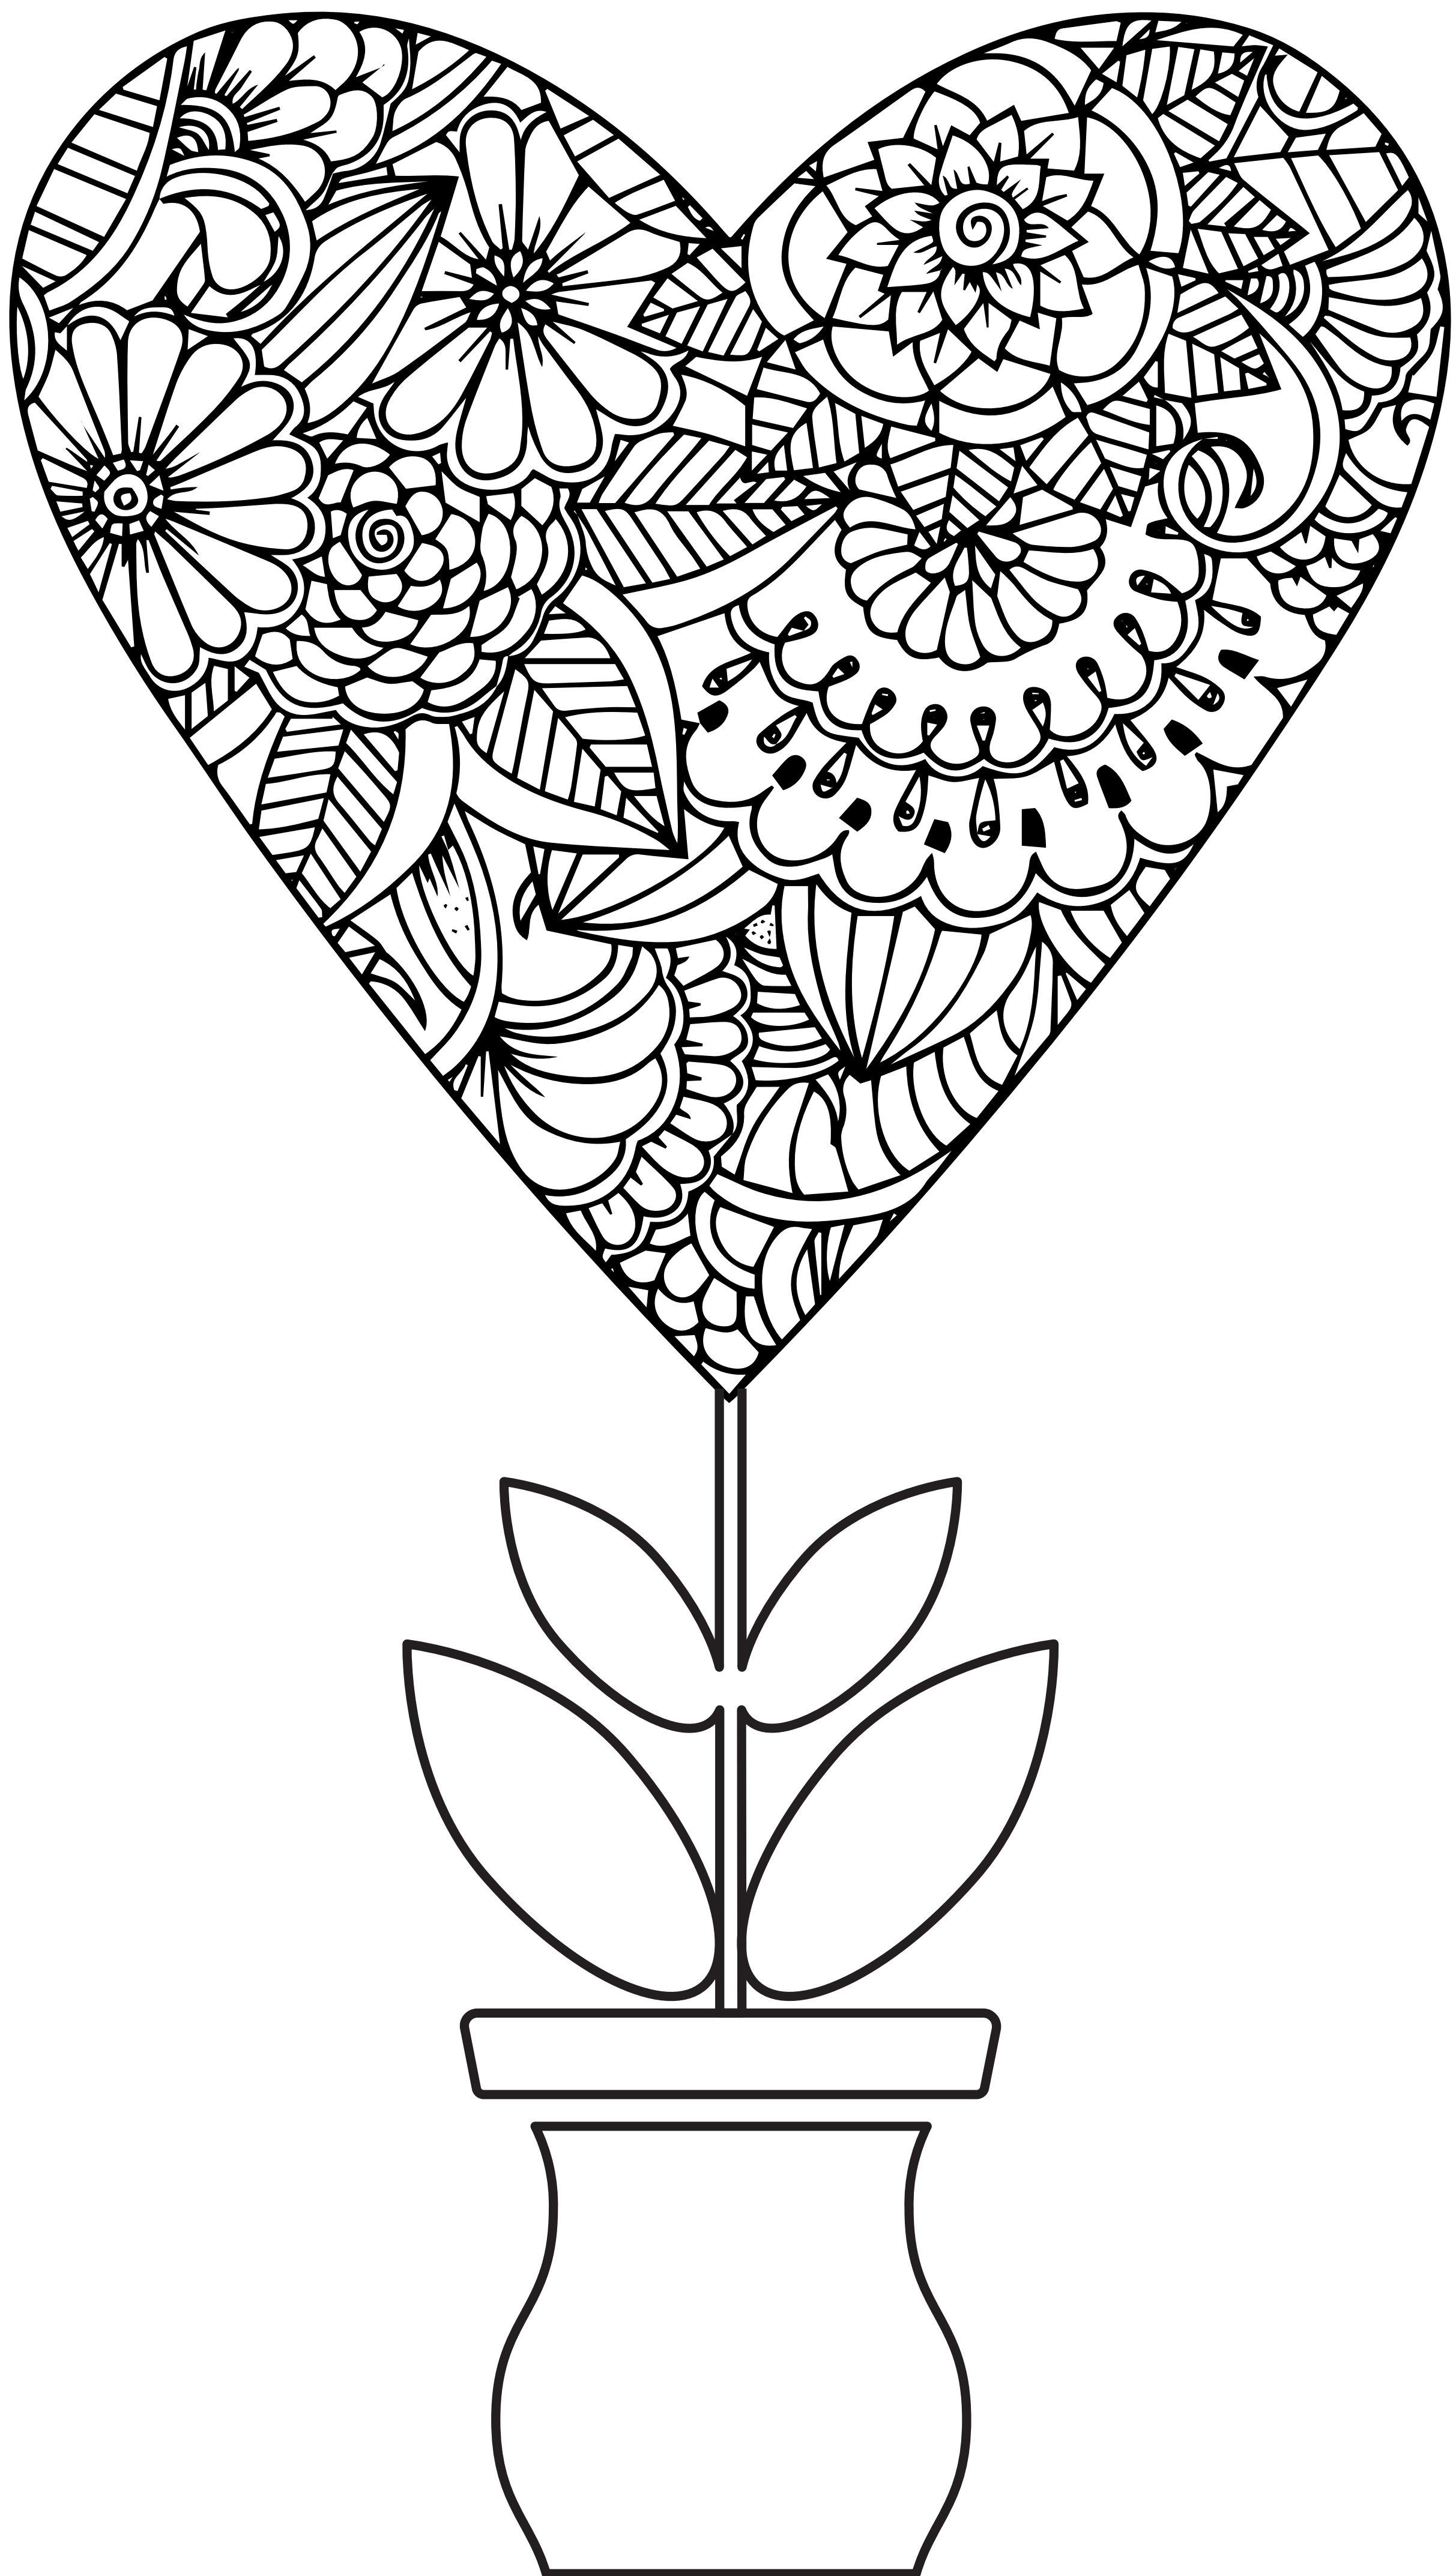

Prophets will stop talking,
teachers will stop teaching,
but love will never end.

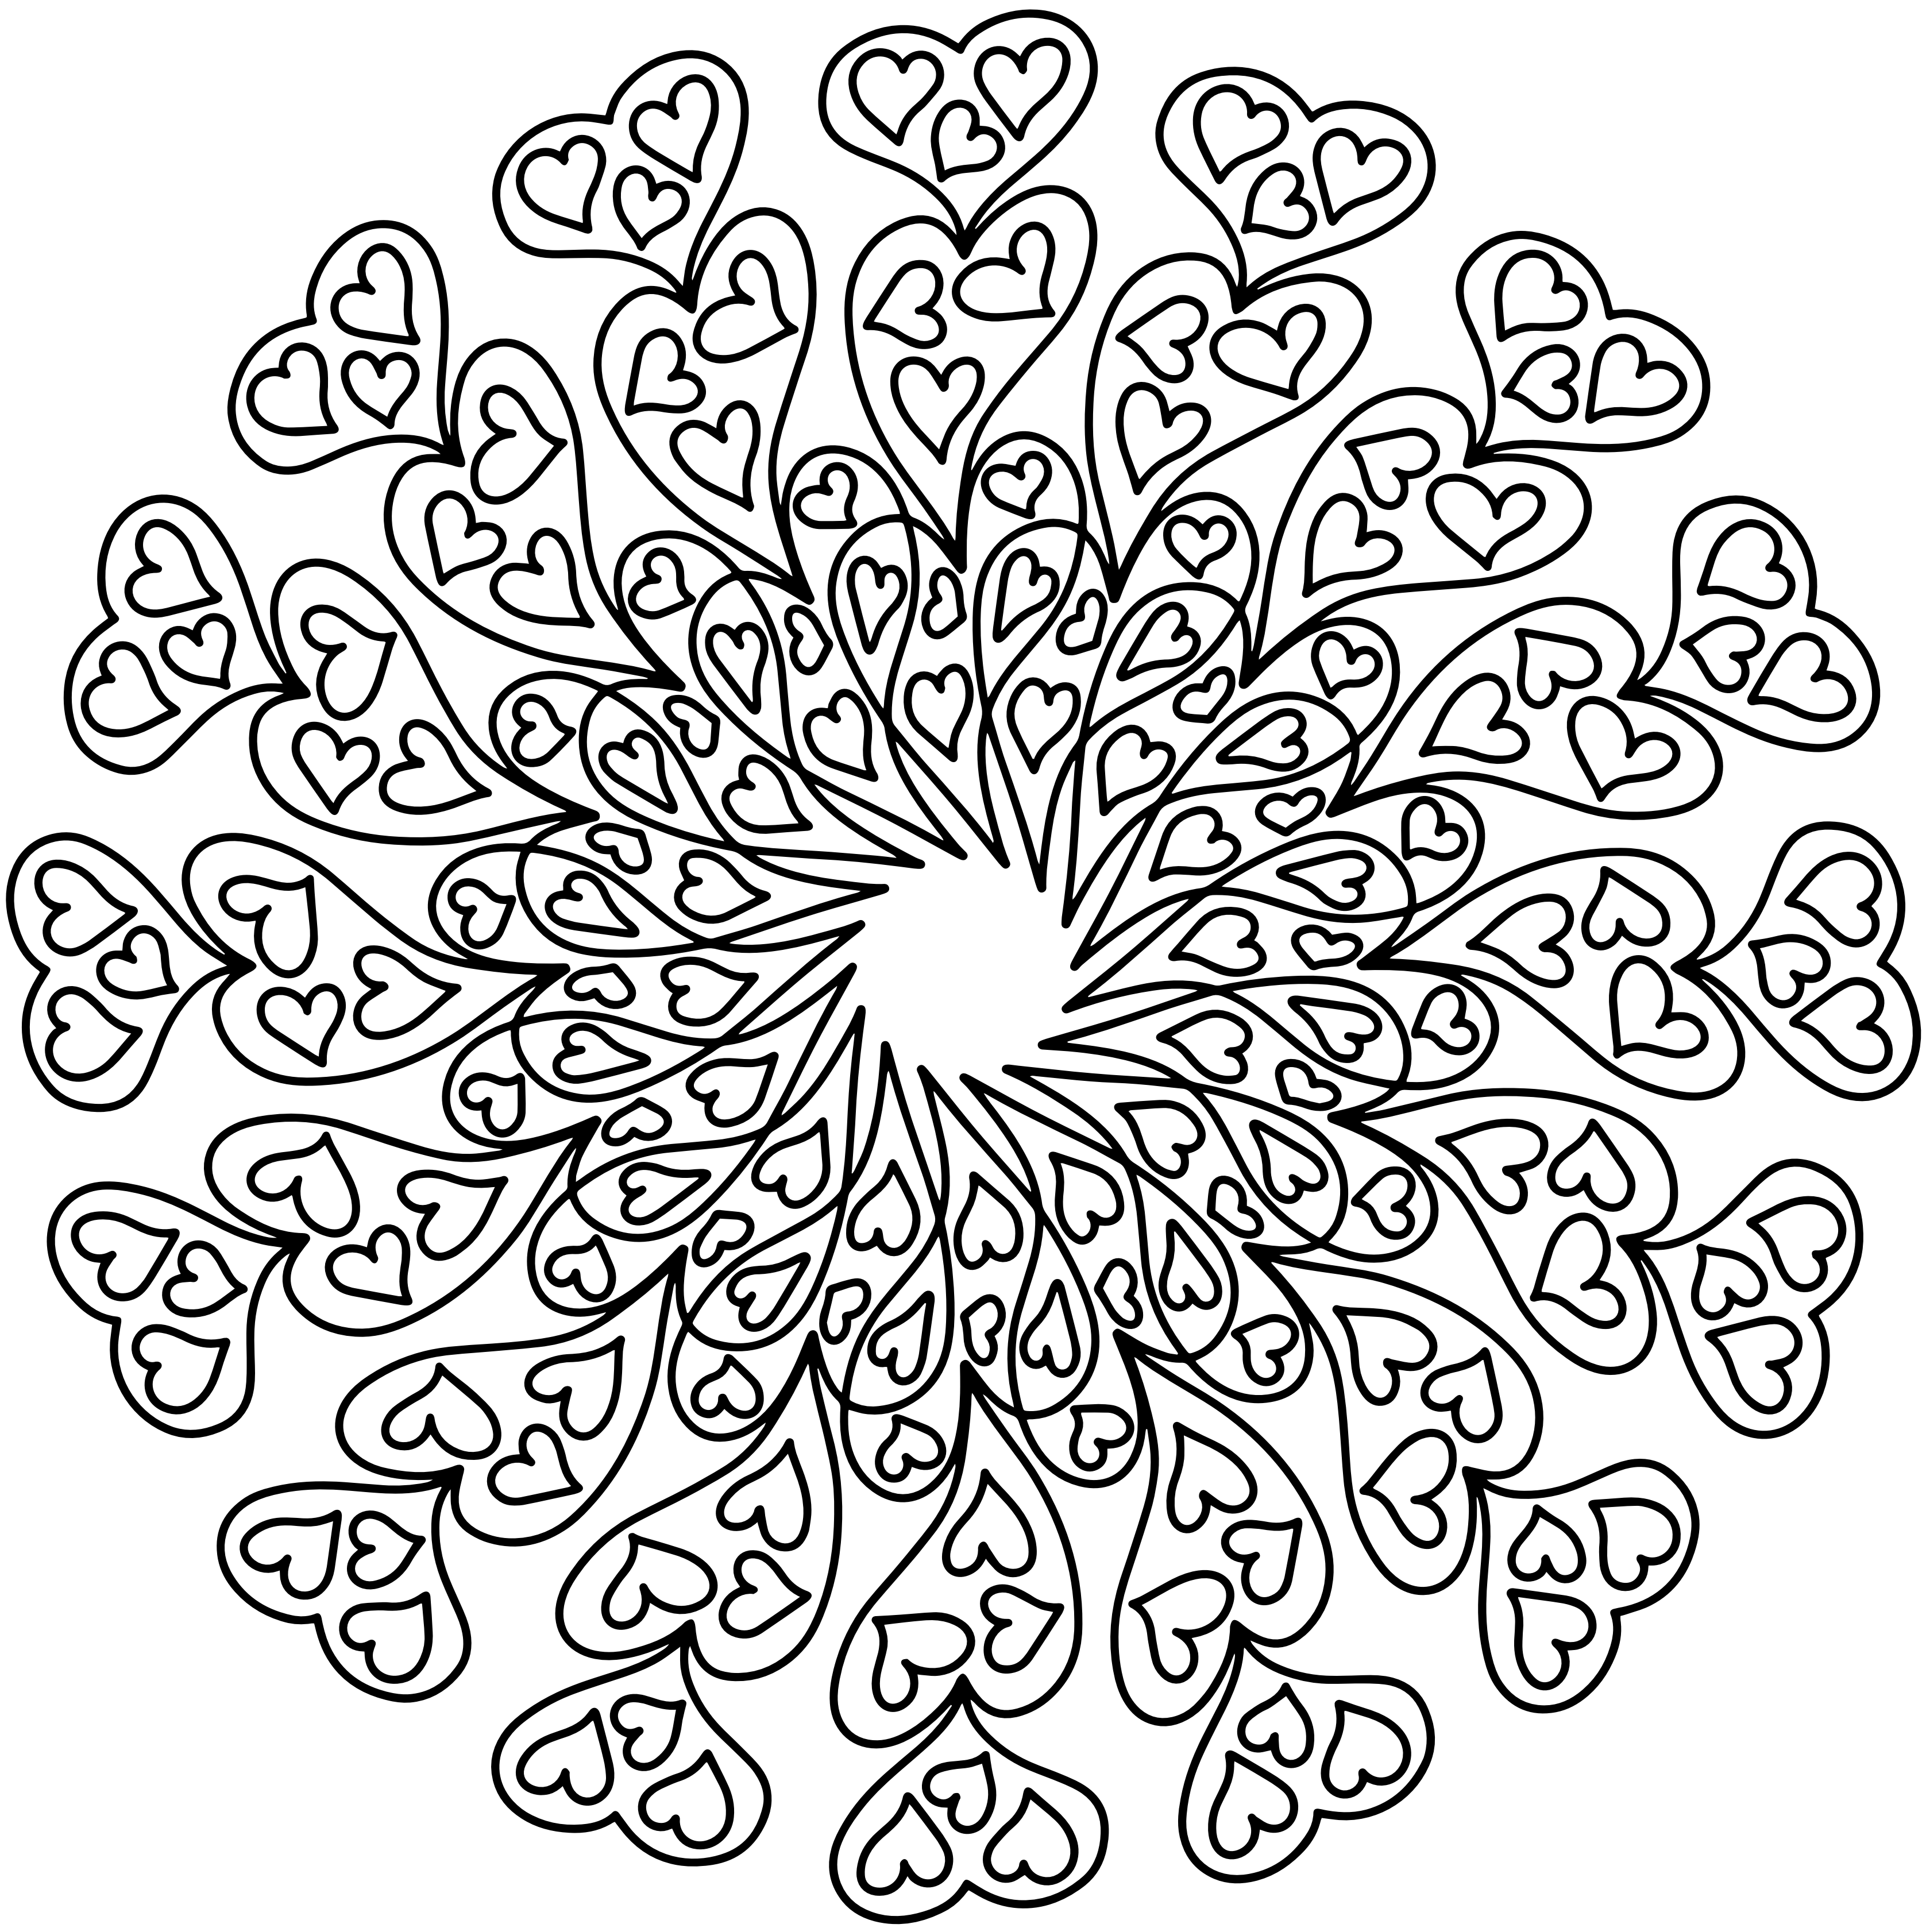

When I was a baby,
I spoke like a baby,
I thought like a baby.
But now I am growing.
I'm not a baby anymore
and I know how to love.

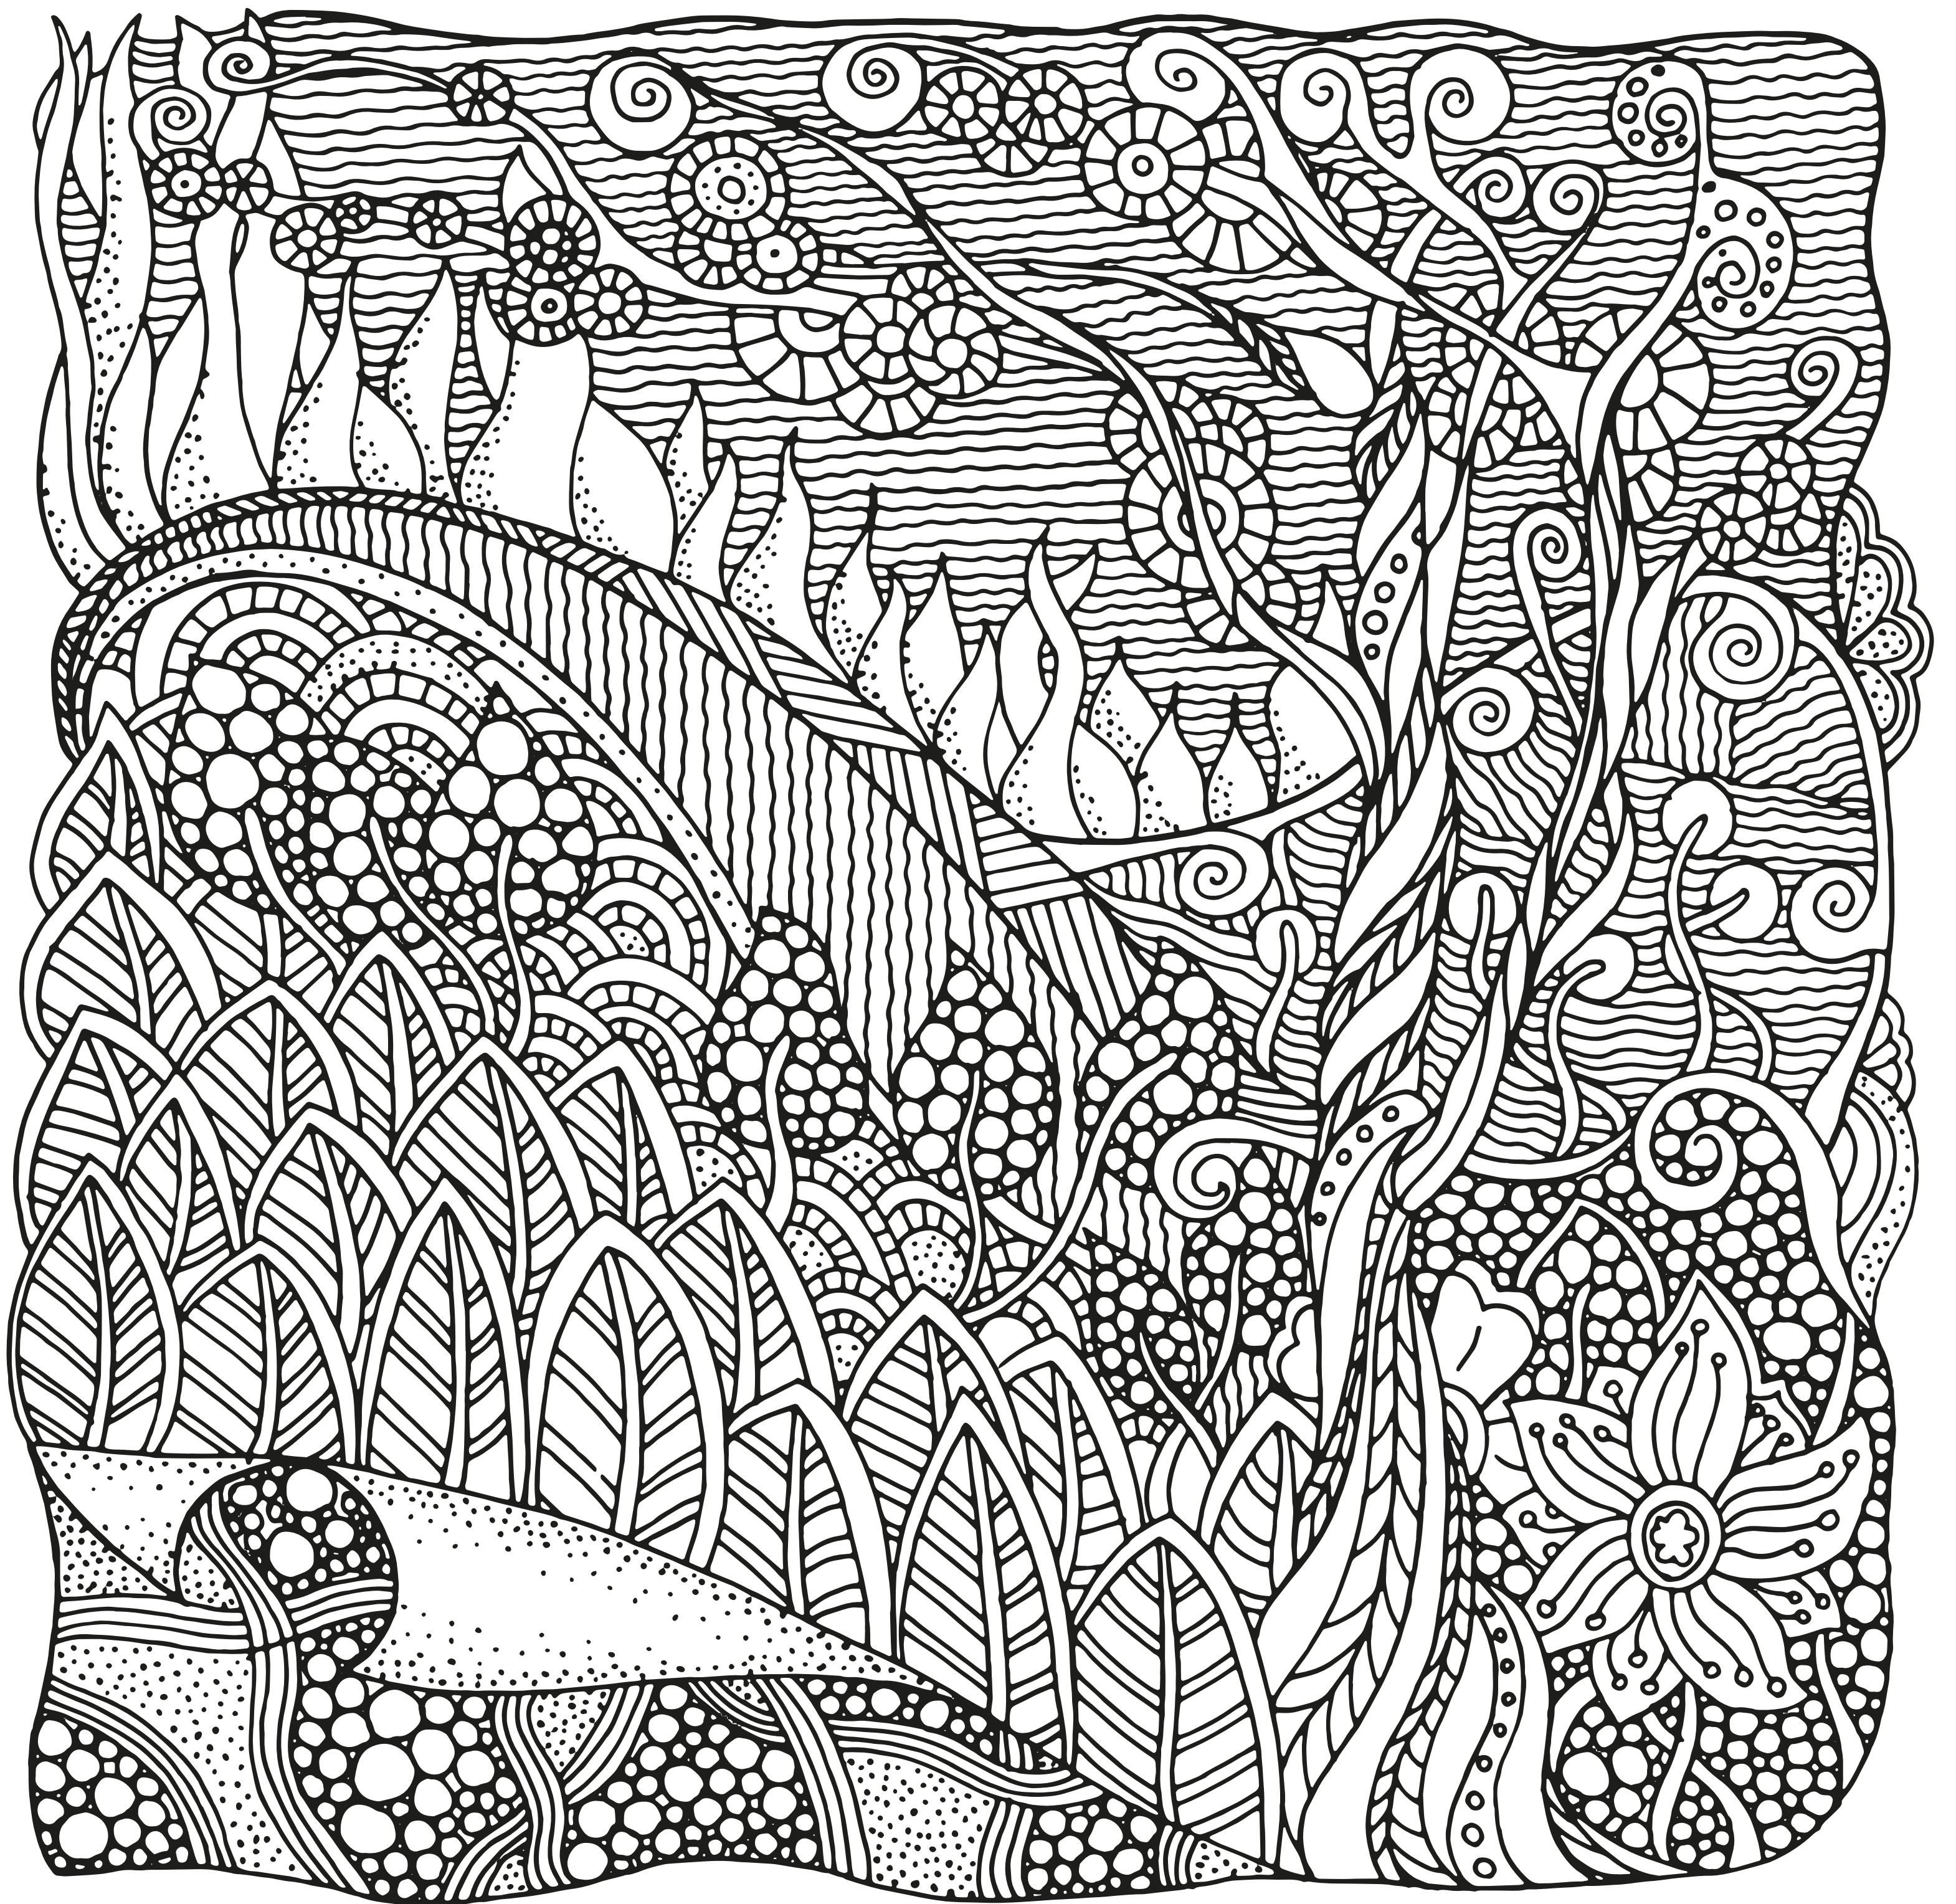

So God gives us faith
and God gives us hope
and God gives us love.

But the best thing of all,
is love.
